

ELN101 Extra Week 04

Identifying languages in their languages

Fall 2026 • Prof. Tomonori Nagano <tnagano@lagcc.cuny.edu>

Names: _____

The following list shows how people call their own language in their language (for example, *Spanish* is *Spanish* in English, but *Español* in Spanish). Match the list of languages with the English translations in the box below.

- | | | | | |
