ELN101 PLA Week 11

Post-lecture Assignment (PLA) 11: Conducting the final project survey

Fall 2026 • Prof. Tomonori Nagano <tnagano@lagcc.cuny.edu>

For this Post-lecture Assignment (PLA), you will ask at least five participants to complete the survey for your final project.

1. The link to the final project survey is https://t-nagano.link/ELN101FinalP1.
2. You will need to create your survey pollster ID. The easiest ID is your initial and 2-digit random numbers. For example, John Doe's pollster ID will be JD23, JD30, or JD94. You should give your pollster ID to the survey participants.
3. The results of the survey will appear at https://t-nagano.link/ELN101FinalP2. You will know how many of your participants have completed the survey by looking at the pollster ID column.
